Conditions of crucial protein deficiency

Unique and complete protein

Vitawork Pro[®] (Egg protein + Vitamins + Minerals + Antioxidants)

POWERED BY
RIGHT CHOICE OF:

Egg white protein with 95% Albumin

- Is a high quality natural protein with low calories
- Is derived from hen egg albumin
- Is lactose free, better than whey protein
- Is cholesterol free and fat free
- Is produced from a superior extraction process
- Gets easily absorbed and utilized for muscle building.
- Improves mental fatigue during physical activity.

INDICATIONS:

- Conditions with low immunity
- Post operative recovery
- Excellent in recovery from chronic illness
- Post chemotherapy
- Burns

DOSAGE:

- 20 to 30 gm per day
